

# Community Information Session (CIS)

RIPIN offers a wide variety of interactive workshops and training opportunities. Our experienced presenters offer information and support to all Rhode Island families as well as the professionals who work with them each day.

RIPIN is committed to providing information and resources to families and professionals throughout Rhode Island. Community Information Sessions (CIS) are mini-trainings made available to families and professionals who support families and presented by agencies throughout RI. The below series is a follow up to the **Pathways to Adult Services** workshop with a focus on community resources to **families of transition age (14 – 21) students with disabilities.**

**All sessions run 12:30 pm – 2:00 and will be held at RIPIN.**
