

# Family Voices

RIPIN Family Voices supports families that are caring for Children and Youth with Special Health Care Needs (CYSHCN). Our goal is to help strengthen the partnership of families and providers through information, mentoring, and advocacy. We connect families to resources that provide wrap-around support and coordinated care, ultimately improving the outcomes of the child and the well-being of the family.

*Keeping families at the center of children's health care*

## COMPREHENSIVE SUPPORT

Access a wide range of services, from navigating complex systems to connecting with essential resources.

## POLICY ADVOCACY

Address systemic issues through policy advocacy to create a more inclusive environment for all.

## FREE RESOURCES

Find tools and information to manage your child's care and the wellbeing of your family.

## LEARN & GROW

Gain knowledge on relevant topics related to advocacy and special health care needs.

## PEER SUPPORT

Connect with RIPIN Peer Professionals and other families who understand your journey.

## EMPOWER YOUR FAMILY

Access the tools and develop the confidence and skills to advocate effectively for your child's needs.
