

Shaping the Future of CHW Employers in RI

Our Mission:

The Alliance for Community Health Worker Employers advances the status of Community Health Workers (CHWs) as a foundation for the health and well-being of Rhode Island communities.

By championing the interests of organizations, advocating for the recognition and support of CHWs, and promoting best practices, we aspire to make a lasting impact in communities.

Strategic Approach:

Through the cultivation of strong community partnerships and the amplification of CHW employers' voices, we are committed to driving meaningful policy changes at both state and national levels. Our aim is to establish robust standards and best practices that will not only enhance but also sustain CHW programs for the long term.

Areas of Focus:

The Alliance connects partners to enhance cooperation and improve systems. Our goals are to:

- Promote Community Health Workers (CHWs) and their career paths.
- Address challenges faced by CHW programs and improve their sustainability.
- Share success stories and strategies to enhance cooperation among CHW programs.

Member Benefits:

Become a member and enjoy valuable benefits, including:

- Collaborative Advocacy and Policy Initiatives
- Quarterly Updates on Workforce Development
